Viol. Notes: 30-gallon drum labled HW open in storage area. 55-gallon drum labled HW, however, lable was not readable and no accumulation start date could be determined. Facility also had containers of solvent under the hoods in chemistry labs that were open and evaporating into hood. When these containers we done being used, they were emptied into a larger container labeled HW under a hood.

Note: Penalty information associated with an enforcement action is reported with the enforcement action. For enforcement actions associated with multiple violations, the penalty information will be reported with each violation, however, the penalty is only assessed once, regardless of the number of violations associated with the enforcement.
